### **May 2017 Highlights**

On May 5 an officer was dispatched to Marion Road to take a report of property damage to a motor vehicle. The owner of the vehicle noticed that the passenger-side quarter panel of his vehicle was damaged. The owner was unsure of where or when the damage occurred. The owner was told to notify his insurance company.

On May 15 an officer was monitoring traffic when a vehicle with a revoked registration for lack of insurance passed his location. He pulled the vehicle over and spoke to the operator who related to him that they were not aware of the status of the registration and that they paid the insurance and it should be valid until the end of 2017. Dispatch confirmed the status of the registration as revoked. The vehicle was towed and the operator was cited.

On May 18 an officer was dispatched to The Great Road Shopping Center for a report of a Hit & Run Crash. When he arrived he spoke with the owner of the vehicle who worked in the plaza. When the owner came out to his car after his shift, he noticed that there was damage on the driver-side of the vehicle. The damage was consistent with being struck by another vehicle while pulling into the parking space next to it. There were no suspect vehicles. The vehicle owner was told to contact his insurance company.

On May 20 the Double Tree Hotel called to report there was an unwanted guest. They related that there was a male party in the gym who was not a guest staying with them. When they approached the individual, he related that he was a member of the gym and refused to leave. The officers escorted the male party off of the property.

On May 22 an officer was sent to a residence for a report of a larceny of a trash barrel. They officer was told that on May 15 the barrel was stolen and that the homeowner purchased a new one. The homeowner then told the officer that the new barrel was now missing and that they wanted to report the two incidents. The homeowner related that they do not have any problems with the neighbors and there are no suspects at this time.

On May 27 an officer was dispatched to the area of Old Billerica Road for a report of several mailboxes that were vandalized the previous night. The reporting party related that they have surveillance cameras and the footage is being analyzed to identify a suspect.

On May 31 CVS Pharmacy reported that over the weekend, they had approximately \$600 worth of items stolen. They looked at their surveillance video and noticed two individuals who matched the description of someone who committed a similar crime at a CVS Pharmacy in another town. Store security and detectives are working to identify the individuals.

Respectfully Yours,
